This year we will visit New Castle, PA from July 17th to 24th. Have a blast in the fireworks capital of America! Lawrence County is where two great fireworks companies got their start, and things are still sparkling in this county on the edge of Amish country. But there is a bit of a problem: Lawrence County Social Services has a three-and-a-half-year-long list of homes that need to be repaired or upgraded. But with your assistance, you can take care of two years of that list through this Workcamp. You'll be helping good people, lighting up their hearts with the love of Jesus.
