

Dear Family and Friends,

As part of our youth ministry program at church I will be attending a work camp this summer. I, along with approximately 90 other youth from Good Shepherd, St. Anthony, St. Mary's and St. Michael's Parishes will be going to Sullivan, IL the week of July 12-18 to work on home repairs for the low income and elderly, as well as my own spiritual growth. To cover the cost of the trip and the supplies needed for the projects, each camper must raise over \$750.

If you are interested in sponsoring me on this mission, you can send a tax-deductible donation to me, payable to Good Shepherd Catholic Church.

Please keep me and the other campers in your prayers.
